

Con Edison Battery Storage

a Con Edison Clean Energy Business

U.S. ARMY GARRISON KWAJALEIN

PROJECT DATA

LOCATION

Marshall Islands

COMMISSIONED

Fall 2019

SYSTEM

- Microgrid, fully off-grid island
- Power rating - 200 kW
- Energy rating - 3000 kW

APPLICATIONS

- Designed for harsh environment
- Integration with generators, solar PV

VALUE

- Renewables integration to reduce energy costs
- Backup power
